ADDICTION SERVICES

Nicotine & Smoking Addiction Services:

NJ Quitnet

Web: <http://www.nj.quitnet.com/>

- ◆ Online resource developed by Boston University that provides a comprehensive, personalized smoking treatment service. Once registered, you have access to peer support groups and trained counselors; tools to help you quit smoking, including a Quitting Guide; referrals to local programs; and information about nicotine replacement therapies.

NJ Quitline

Toll Free: 1 (866) NJ-STOPS (65-78677)

- ◆ Telephone-based service established by the Mayo Foundation that provides free access to trained counselors in 26 languages. Counselors work with you at every stage of the process to help develop a treatment plan that meets your individual needs. The initial call takes about 30 minutes. During this time, counselors assess your tobacco use history and define an appropriate quitting strategy.

NJ Quitcenters

Toll Free: 1 (866) NJ-STOPS (65-78677)

Web: <http://www.nj.quitnet.com/>

- ◆ Clinic-based program that offers face-to-face counseling in individual and group settings with counselors trained by the University of Medicine and Dentistry of New Jersey. These services are available on a sliding fee scale based on income.

Women's Referral Central

Toll Free: 1 (800) 322-8092

24 hours a day/ 7 days a week

- ◆ Provides information and referrals to women in New Jersey through a statewide toll-free telephone line. The Hotline provides referrals and basic information in areas such as discrimination, affordable housing, addiction services, continuing education, domestic violence, employment, legal assistance, divorce and separation, violence, health care, sexual assault, sexual harassment, stalking, child care, child support/custody, single parenting, health care, etc.
