

A young child with dark hair, wearing a white sleeveless dress with pink floral patterns, is sitting on the edge of a swimming pool. The child is looking down at the water. The pool is filled with clear blue water, and the surrounding area is paved with small, light-colored stones.

Not even for a second!

Never leave a child unattended around water.

**A child can drown in just a few inches
of water within seconds – often without
any splashing or screaming.**

Prevent a tragedy before it happens.

**Department of Children and Families
www.nj.gov/dcf**

¡Ni por un segundo!

Nunca deje a un niño desatendido cerca del agua.

Un niño se puede ahogar en solo unas pulgadas de agua en segundos – sin ningún ruido o gritos.

Prevenga una tragedia antes que ocurra.
