Logic Model Overview

Where are you going &

how will you get there?

Purpose

- Increase awareness of the purpose of logic models

- Increase knowledge of the components a DCF logic model

- Complete draft Logic Model for your program

Logic Models
Help to Clarify

- What you are doing & what results you hope to achieve by doing what you are doing.

- What you are trying to accomplish and how you plan on getting there.

- What the destination is and the road to take.

Logic Model Components

Target Population

Name of Initiative:			
Target Population:			

RESOURCES	ACTIVITIES	INTERMEDIATE OUTCOMES	LONG TERM OUTCOMES

New Jersey Department of Children and Families

Target Population

Who are your participants?

Characteristics

Demographics

Needs

New Jersey Department of Children and Families

Target Population - Example

- Adult victims of domestic violence and their dependent children who are experiencing the co-occurrence of domestic violence and child maltreatment and are involved with Child Protection and Permanency

Activities/Outputs

Activities based on the needs of the target population

What services are you providing/will you provide?

What do these services look like (description)?

Outputs- based on the activities identified

How many people will the activity serve?

How frequently will the activity occur?

How long is each activity?

NEW JERSEY DEPARTMENT OF CHILDREN AND FAMILIES

Example Activities/Outputs

Parent Educational Group:
- Focusing on the impact of domestic violence on a child's behavior
- 2 sessions, 2 hours each
- Series will run 3 times a year
- 50 participate/year

NEW JERSEY DEPARTMENT
OF CHILDREN AND FAMILIES

Resources

Now that you know what you are doing – what do need in place before you start:

- Funding
- Location
- Staff
- Training
- Collaborations/Partnerships
- Assessment Tools
- Evaluation Tools
- Data System

Now You Know

- Who you want to serve

- What you are going to do

- How often you are going to do it

- And you have the resources in place

How are you going to know it is working?

NEW JERSEY DEPARTMENT
OF CHILDREN AND FAMILIES

Outcomes

What do we hope to achieve by doing the activities we are doing?

Intermediate Outcomes

Intermediate outcomes

- Effects connected to activities including changes in behavior, practice, action or decision making, policies, or social action

Long-Term Outcomes

Long-term outcomes

- Long-term outcomes are the ultimate impact on social, economic, civic or environmental conditions
