- 1. The RFP references Laws Against Discrimination NJSA 10:51 et al. in the “Mobilizing Parent Involvement” section on page 17.**

Can you provide a link to review this code as a search for this does not bring up a code related to this topic? Or, was the number a typo and the 2 Exhibits (A & B) are this code under NJSA 10:5-31? We just want to make sure we are not missing an additional code to review.

Yes, NJSA 10:51 is correct but also review Exhibit B Title 10 Chapter 2.

- 2. Re: Integration of Protective Factors & Standards for Prevention, should we illustrate how our agency/program *currently* implements these as well as our *plan* to implement these, if awarded? Or, did you just want one or the other?**

Yes, both.

- 3. What guidance should be used regarding the training of parent leaders on the CCYC?**

We recommend that you identify an evidence-based curriculum that you would use to develop skills that your parent leaders would need as they serve on the CCYC. Please submit a table of contents no more than 5 pages in length as Appendix 22.
