**1. I have a contract with DCP&P to provide counseling and evaluation services, including evaluations for court. My rates of reimbursement have always been set by DCP&P, at a low rate which I have accepted.**

- **Does this new RFP allow providers to request their own rate?**

No.

- **And if I already have a contract with DCP&P, am I excluded from this opportunity?**

This RFQ solicits a response from prospective Providers; current Providers need not respond.

**2. Exhibit C refers to the need for the completion of competency based child abuse forensic interview training that includes child development.**

**Would courses offered by the NCAC virtual training be acceptable?**

The National Children's Advocacy Center offers multi-day competency-based classroom training in forensic interviewing. It does not offer this training through its virtual training center.
