The Department of Children and Families (DCF) is seeking information and comment from private or public not-for-profit or for-profit organizations on a Request for Qualifications developed in draft form to engage qualified evaluators who can meet the requirements of the Department of Children and Families as set forth in the draft Request for Qualifications (RFQ) to provide forensic evaluations and assessments as needed during child welfare investigations or to assist with permanency planning. The evaluators may be individual psychologists with their own practice or members of a group or agency practice that submits a response to the RFQ. Each individual practitioner providing services must be approved, even if working as a member of group or agency.

All responses to this RFI are due by 12:00 PM EST on or before April 20, 2015. Responses shall be accepted on a rolling basis. Responses may provide a basis for DCF to develop a final Request for Qualification (RFQ) for these services. Responders may request information and/or assistance from DCFASKRFP@dcf.state.nj.us
