G. Administration:

1. Screening for Eligibility, Conformity and Completeness

DCF will screen proposals for eligibility and conformity with the specifications set forth in this RFP. A preliminary review will be

conducted to determine whether the application is eligible for evaluation or immediate rejection.

The following criteria will be considered, where applicable, as part of the preliminary screening process:

- a. The application was received prior to the stated deadline

The Committee will review each application in accordance with the established criteria outlined in Section II of this document. In the event of a tie in the scoring by the Committee, the bidders that are the subject of the tie will provide a presentation of their proposal to the evaluation committee. The evaluation committee will request specific information and/or specific questions to be answered during a presentation by the provider and a brief time-constrained presentation. The presentation

will be scored out of 50 possible points, based on the following criteria and the highest score will be recommended for approval as the winning bidder.

The font shall be no smaller than 12 points in Arial or Times New Roman. There is a 5 page limitation for the narrative portion of the grant application. deducted for each missing document. If the deductions total 20 points or more, the proposal shall be rejected as non-responsive. The narrative must be organized appropriately and address the key concepts outlined in the RFP. Annex B budget pages, and attachments do not count towards the narrative page limit.

Proposals may be fastened by a heavy-duty binder clip. Do not submit proposals in loose-leaf binders, plastic sleeves or folders or staples.

CASE NOTES

1. Restriction on the right of a person lawfully in the United States to earn a living was to be soberly regarded and construed strictly rather than expansively, and therefore enactment of *N.J. Rev. Stat. § 34:9-2*, *N.J. Stat. Ann. § 10:2-1*, and the Law Against Discrimination, former *N.J. Stat. Ann. § 18:25-1* et seq. (see now *N.J. Stat. Ann. § 10:5-1* et seq.), was found to have impliedly repealed *N.J. Rev. Stat. § 34:9-1*, which prohibited the employment of aliens in performance of a public contract. *Department of Labor & Industry v. Cruz*, 45 *N.J.* 372, 212 *A.2d* 545, 1965 *N.J.
