

# 2014 SUMMER TOUR

Barnegat Bay Blitz Rain Barrel Challenge

## HAVE YOUR BUSINESS HOST A RAIN BARREL

Barnegat Bay businesses are invited to “host” a rain barrel this summer and help teach residents and visitors about water and Barnegat Bay ecology. Thirty-five schools and youth groups in the Barnegat Bay watershed designed rain barrels that feature the recreational and harvestable resources of the Bay.

To “host” a rain barrel, simply place it in an area of your business frequented by the public but that is secure and inaccessible to vandals. As a thank you, your business will be recognized on NJ Department of Environmental Protection’s rain barrel marketing materials and on our rain barrel web pages. If you are interested in being a host, please contact Diane Gard at 609-292-0912 or at [diane.gard@dep.state.nj.us](mailto:diane.gard@dep.state.nj.us)
