Princeton University
Multi-Purpose Room
Frist Campus Center
(609) 258-1841

From the NORTH/NEW YORK CITY

Take the New Jersey Turnpike south to Exit 9 (New Brunswick). After the toll booths, take the first right turn onto the ramp for Route 18 north. Soon after you enter Route 18, take the left side of a fork in the road, staying in the right lane. Immediately bear right for an exit to U.S. Route 1 south/Trenton.

Drive south on Route 1 for about 18 miles to the Washington Road exit, which is a traffic circle. Take the first right off the circle (between the gas stations) toward Princeton. The campus is located approximately a mile straight ahead. (**SEE BY CAR**)

From the WEST

Drive east on Interstate 78 into New Jersey. Exit onto southbound Interstate 287 (toward Somerville). Follow signs for Routes 202/206 south. Go south on 202 for a short distance and then follow signs to 206 south, which will take you around a traffic circle. Go south on 206 for about 18 miles to Nassau Street (Route 27) in the center of Princeton. Turn left onto Nassau Street, and follow it to the third traffic light. Turn right onto Washington Road. (**SEE BY CAR**)

From the SOUTH

If you are coming from southern New Jersey, we recommend that you take Interstate 295 north (instead of the New Jersey Turnpike). Take Exit 67 to Route 1 north. Travel about three miles north on Route 1 to the Washington Road exit, which is a traffic circle. Go three quarters of the way around the circle and turn right (between the gas stations) toward Princeton. The campus is located approximately a mile straight ahead. (**SEE BY CAR**)

From the EAST

Take Interstate 195 west (toward Trenton) to the exit for Interstate 295 north. Drive seven miles to the exit for Route 1 north (exit 67). Travel about three miles north on Route 1 to the Washington Road exit, which is a traffic circle. Go three quarters of the way around the circle and turn right (between the gas stations) toward Princeton. The campus is located approximately a mile straight ahead. (**SEE BY CAR**)

From the PHILADELPHIA AREA

Take Interstate 95 north into New Jersey and exit at Route 1 north (exit 67). Travel about three miles north on Route 1 to the Washington Road exit, which is a traffic circle. Go three quarters of the way around the circle and turn right (between the gas stations) toward Princeton. The campus is located approximately a mile straight ahead. (**SEE BY CAR**)

By CAR: Heading north on Washington Road (away from Route 1), turn right onto Faculty Road. (If you are heading south on Washington Road from Nassau Street/Route 27, turn left onto Faculty Road instead.)

After passing Jadwin Gym, turn left on Fitzrandolph Road and then take the first left turn into Lot 21.

<http://www.princeton.edu/main/visiting/> and the easiest thing is to park in Lot 21 down by DeNunzio Pool (look at the visitor parking link) and the athletic fields and take the blue line bus up to the corner of Ivy Lane and Washington road. Across the street is the Frist Campus center and at the west side entrance make a quick left once inside and down a series of steps (your now in the basement) and the multi-purpose room is on the right side.

BY TRAIN:

Amtrak and New Jersey Transit operate trains along the Northeast Corridor rail line that stop at Princeton Junction. Transfer to Dinky line from Princeton Junction which will drop you right off on the edge of campus, across from McCarter Theatre. It's a 5 minute walk east to Frist. It runs about every 10 minutes. Use the west side entrance make a quick left once inside and down a series of steps (your now in the basement) and the multi-purpose room is on the right side.
