Dear Mr. Collins:

The Department of Environmental Protection's Division of Solid and Hazardous Waste is in receipt of a proposed amendment to the Mercer County District Solid Waste Management Plan (County Plan) dated February 11, 2020. This amendment to the County Plan proposes County Plan inclusion to correct the block number of the VG Resources, LLC- Duck Island Transfer Station/ Material Recovery Facility (VG Resources) from Block 2605 to Block 2506. The above noted change in the block number will not result in any operational changes with the onsite transfer station/material recovery facility operation.

Pursuant to N.J.A.C. 7:26-6.11(b)14, the inclusion to correct the block number of an existing recycling facility can be accomplished via an administrative action. Therefore, this request to correct the block number of the VG Resources is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

If you have any questions relative to this matter, please contact Joanne McClendon of my staff at (609) 292-2125 or email at joanne.mcclendon@dep.nj.gov.

Sincerely,

Edward A. Nielwocki, Contract Administrator 3
