Dear Mr. Verrelli:

The New Jersey Department of Environmental Protection's Division of Sustainable Waste Management, Bureau of Solid Waste Planning and Licensing is in receipt of a proposed amendment to the Mercer County District Solid Waste Management Plan (County Plan) dated March 28, 2024 and received on April 9, 2024. This Plan Amendment is to rectify the Block and Lot numbers of the Hamilton Class B/C Ecological Facility. The Township of Hamilton is requesting the facility's Block 2163 and Lot 5 designation be revised to reflect this update from the previously designated Block 499 and Lot 15 to make the County Plan consistent with their Class B/C approval. The facility is located at 1360 Kuser Road, Block 2163, Lot 5, in Hamilton Township. It should be noted that there is no other proposed change to the facility within this application.

Pursuant to N.J.A.C. 7:26-6.11(b)14, the application to amend the Mercer County Solid Waste Management Plan can be accomplished via administrative action. Therefore, the request to rectify the Block and Lot numbers of the Hamilton Class B/C Ecological Facility is hereby approved through an Administrative Action pursuant to N.J.A.C. 7:26-6:11.

If you have any questions relative to this action, please contact me at (609) 940-5805 or James Pellegrini at James.Pellegrini@dep.nj.gov.

Sincerely,

Jill Aspinwall, Section Chief
