Dear Mr. Collins:

The Department of Environmental Protection's Division of Solid and Hazardous Waste is in receipt of a request for administrative action to the Mercer County District Solid Waste Management Plan (County Plan) dated May 10, 2019. The subject request proposes County Plan inclusion to remove Trenton Iron and Metal Corporation Class A Recycling Facility located at 301 Enterprise Avenue, Block 23012, Lot 9, in the City of Trenton from the County Plan as a Class A Recycling Facility.

Pursuant to N.J.A.C. 7:26-6.11(b) 7, deletion of any facility which is included in the County Plan for more than two years but has not operated for more than two years can be accomplished via an administrative action. Therefore, this request is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

If you have any questions relative to this matter, please contact Joanne McClendon of my staff at (609) 292-2125 or by email at Joanne.mcclendon@dep.nj.gov.

Sincerely,

Edward A. Nielwocki, Contract Administrator 3
