Mercer County Improvement Authority  
80 Hamilton Avenue, 2<sup>nd</sup> floor  
Trenton, New Jersey 08611

Dear Mr. Collins:

The Department of Environmental Protection's Division of Solid and Hazardous Waste is in receipt of a request for administrative action to the Mercer County District Solid Waste Management Plan (County Plan) dated September 7, 2017. The subject request proposes County Plan inclusion to allow the existing Trenton Biogas, LLC (Trenton Biogas), Class C Recycling Facility located at 1600 Lambert Road, Block 12401, Lots 2.01 and 2.02 to amend the current facility hours of operation to include the acceptance of Class C materials on Saturdays from 6:00 a.m. to 4:00 p.m., with no change to the previously approved daily tonnage capacity and continue to also accept Class C materials Monday through Friday from 6:00 a.m. to 9:00 p.m.

Pursuant to N.J.A.C. 7:26-6.11(b)5, the modification of an existing facility's hours of operation to accept approved materials can be accomplished via an administrative action. Therefore, the County Plan inclusion to add Saturday hours to the Trenton Biogas operation, is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

Please be advised that this approval of an administrative action to the County Plan shall not be construed as an expression of the Department's intent to issue a permit modification to the subject facility for the above noted operational changes.

If you have any questions relative to this matter, please contact Joanne McClendon of my staff at (609)292-2125 or by email at [Joanne.mcclendon@dep.nj.gov](mailto:Joanne.mcclendon@dep.nj.gov).
