Dear Mr. Collins:

The Department of Environmental Protection's Division of Solid and Hazardous Waste is in receipt of a proposed amendment to the Mercer County District Solid Waste Management Plan (County Plan) dated October 22, 2019. This amendment to the County Plan proposes County Plan inclusion of a change in operator and name at the Trenton Biogas, LLC Class C Recycling Center located at 1600 Lambert Road, Block 12401, Lots 2.01 and 2.02. The facility will be operated by Trenton Renewable Power, LLC and the facility's name will change to Trenton Renewable Power, LLC. The above noted changes in operator and name will not result in any operational changes at the subject facility.

Pursuant to N.J.A.C. 7:26-6.11(b)14, the inclusion of a change in operator and name of an existing Class C recycling facility can be accomplished via an administrative action. Therefore, this request to change both the operator and name to Trenton Renewable Power, LLC is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

If you have any questions relative to this matter, please contact Joanne McClendon of my staff at (609) 292-2125 or email at joanne.mcclendon@dep.nj.gov.

Sincerely,

Edward A. Nielwocki, Contract Administrator 3
