Dear Ms. Tolmachewich:

The Department of Environmental Protection's Division of Solid and Hazardous Waste is in receipt of a proposed amendment to the Middlesex County District Solid Waste Management Plan (County Plan) dated January 25, 2021. Administrative Action 001-21 to the County Plan proposes to amend the County Plan inclusion of the Stavola Old Bridge Materials, LLC (Stavola) Class B recycling center located at Block 5001, Lots 11, 12.11, and 13 with a street address of 1 Water Works Road in the Township of Old Bridge to add asphalt to the acceptable materials list and to allow the operation of the facility on Saturdays from 7:00 a.m. to 12:00 p.m.

In summary, Stavola is included in the County Plan for the receipt of a maximum of 1,200 tons per day of source-separated asphalt, concrete, brick, brick, and pipe and identifies the facility's operating hours as Monday through Friday, 7:00 a.m. through 4:00 p.m. and Saturday, 7:00 a.m. through 12:00 p.m.

Pursuant to N.J.A.C. 7:26-6.11(b)14, the inclusion of additional materials and revised hours of operation can be accomplished via an administrative action. Therefore, the County Plan inclusion of the additional material and revised hours of operation at the Stavola Old Bridge Materials, LLC Class B recycling center is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

Please be advised that this administrative action approval shall not be construed as an expression of the Department's intent to issue a general approval modification to the subject facility for the above noted operational changes.

If you have any questions relative to this matter, please contact Dawn Slawsky of my staff at (609) 984-4250 or by e-mail at dawn.slawsky@dep.nj.gov.
