Dear Ms. Tolmachevich:

The Department of Environmental Protection's Division of Sustainable Waste Management is in receipt of a proposed amendment to the Middlesex County District Solid Waste Management Plan (County Plan) dated February 24, 2022. Administrative Action 002-22 to the County Plan proposes plan inclusion of the acceptance of Type 10 waste from the City of New Brunswick municipal or contracted vehicles at the 986 Jersey Avenue, LLC Transfer Station/Materials Recovery Facility (TS/MRF) located at 986 Jersey Avenue (Block 598, Lot 6) in the City of New Brunswick. This additional waste received will not include any change in the total tonnage the facility is currently permitted to accept and further will not result in any changes to the facility's operations or hours of operation.

Pursuant to N.J.A.C. 7:26-6.11(b)5, the modification of an existing facility including the acceptance of additional waste types can be accomplished via an administrative action. Therefore, the County Plan inclusion of Type 10 waste from the City of New Brunswick at the 986 Jersey Avenue, LLC TS/MRF, is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

If you have any questions relative to this action, please contact Dawn Slawsky of my staff at (609) 984-4250 or email at dawn.slawsky@dep.nj.gov.

Sincerely,

Jill Aspinwall, Section Chief
