Dear Ms. Tolmachewich:

The Department of Environmental Protection's Division of Sustainable Waste Management is in receipt of a proposed amendment to the Middlesex County District Solid Waste Management Plan (County Plan) dated March 24, 2022. Administrative Action 005-21 to the County Plan proposes plan inclusion of Clean Earth Client Service Center intermodal solid waste container facility, to be located at Block 1102, Portion of Lot 51.01 with a street address of 50 Howard Street in the Township of Piscataway. The facility will accept up to 85 tons every 10 days of solid waste types 10 (non-putrescible wastes only) and 27 (dry industrial waste) and will operate from 5:00 am – 7:00 pm, Monday through Friday.

Pursuant to N.J.A.C. 7:26-6.11(b)11, the inclusion of a solid waste intermodal container facility can be accomplished via an administrative action. Therefore, the County Plan inclusion of the Clean Earth Client Service Center intermodal solid waste container facility is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

If you have any questions relative to this action, please contact Dawn Slawsky of my staff at (609) 984-4250 or email at dawn.slawsky@dep.nj.gov.

Sincerely,

Jill Aspinwall, Section Chief
