New Brunswick, NJ 08901

Dear Ms. Tolmachewich:

The Department of Environmental Protection's Division of Solid and Hazardous Waste is in receipt of a request for administrative action to the Middlesex County District Solid Waste Management Plan (County Plan) dated May 25, 2016. Administrative Action 001-16 to the County Plan proposes County Plan inclusion of the Safety-Kleen Systems, Inc. solid waste intermodal container facility for types 13C, 27 and 72 solid waste. The maximum amount of waste that will be at the facility at any point in time is 15,000 pounds of waste in drums, 55,600 gallons of waste in tank trucks and tankers and 150 yards of waste in roll-off containers. All vehicles containing waste to be stored will be staged in the storage area until waste is transported off site to its final destination. No waste will be removed from its container. The facility will be located at 116 Skyline Drive, Block 446; Lot 1.03 in the Borough of South Plainfield.

Pursuant to N.J.A.C. 7:26-6.11(b)11, the inclusion of a solid waste intermodal container facility can be accomplished via an administrative action. Therefore, the County Plan inclusion of the Safety-Kleen Systems, Inc. solid waste intermodal container facility is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

If you have any questions relative to this matter, please contact Dawn Slawsky of my staff at (609) 292-4393 or by e-mail at dawn.slawsky@dep.nj.gov.

Sincerely,
