County of Middlesex – Division of Solid Waste Management

New Brunswick, NJ 08901

Dear Ms. Tolmachewich:

The Department of Environmental Protection's Division of Solid and Hazardous Waste is in receipt of a request for administrative action to the Middlesex County District Solid Waste Management Plan (County Plan) dated October 6, 2014. Administrative Action 005-14 to the County Plan proposes County Plan inclusion of the transfer of ownership and name change of Expert Recycling Services Class B Recycling located Block 5001, Lots 7.11, 7.13, 10 and 17 with a street address of 3200 Bordentown Avenue in the township of Old Bridge back to Reclamation Technologies, Inc. Administrative Action 005-14 to the County Plan also proposes County plan inclusion to allow the facility to process up to 100 tons per day of concrete. The total capacity for the site will remain at 300 tons per day. The facility will operate as it is currently included in the County Plan.

Pursuant to N.J.A.C. 7:26-6.11(b)5, the modification of an existing facility can be accomplished via an administrative action. Therefore, transfer of ownership and name change of Expert Recycling to Reclamation Technologies is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

If you have any questions relative to this matter, please contact Najwa N. Ali of my staff at (609) 984-9773 or by e-mail at [najwa.ali@dep.nj.gov](mailto:najwa.ali@dep.nj.gov).
