Dear Mr. Deacon:

The Department of Environmental Protection's Division of Solid and Hazardous Waste is in receipt of a proposed amendment to the Morris County District Solid Waste Management Plan (County Plan) dated September 22, 2020. This amendment to the County Plan proposes County Plan inclusion of the additional parcel (Block 2401, Lot 8) at the County Concrete Corp. Class B Recycling Center located at 50 Railroad Avenue in the Township of Roxbury. The additional parcel was inadvertently omitted from the original County Plan inclusion of the facility and will not alter or expand the current recycling operations in any matter. In summary, the following parcels are included in the County Plan for County Concrete Corp. Class B Recycling Center: Block 2501, Lot 1 and Block 2401, Lot 8.

Pursuant to N.J.A.C. 7:26-6.11(b)5, the inclusion of additional parcels of land to an existing recycling facility can be accomplished via an administrative action. Therefore, the County Plan inclusion of the inclusion of an additional parcel for the County Concrete Corp. Class B Recycling Center is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

If you have any questions relative to this matter, please contact Dawn Slawsky of my staff at (609) 292-4393 or by e-mail at dawn.slawsky@dep.nj.gov.

Sincerely,

Seth Hackman, Section Chief
