Monica R. MianECKi, Director of Solid Waste

NJSEA

One DeKorte Park Plaza, P.O. Box 640

Lyndhurst, New Jersey 07071

Dear Mrs. MianECKi

The New Jersey Department of Environmental Protection's Division of Sustainable Waste Management is in receipt of a proposed amendment to the NJSEA District Solid Waste Management Plan (County Plan) dated December 14, 2023. This request is for the Plan inclusion of the Allegro Sanitation Corporation Class B Recycling Facility to accept concrete, asphalt, brick, block, asphalt shingles, wood (unpainted and non-chemically treated), trees, tree parts, tree stumps, brush, and leaves. The Allegro Sanitation Corporation facility is located at 278 Secaucus Road, Block 62, Lot 7.01 in Hudson County, New Jersey. The hours of acceptance are Monday through Friday from 4:00 a.m. to 2:00 a.m. the following day and 4:00 a.m. to 6:00 p.m. on Saturday.

Pursuant to N.J.A.C. 7:26-6.11(b), the inclusion of the documented acceptance of materials can be accomplished via administrative action. Therefore, the County Plan inclusion of the acceptance of concrete, asphalt, brick, block, asphalt shingles, wood (unpainted and non-chemically treated), trees, tree parts, tree stumps, brush, and leaves for the Allegro Sanitation Corporation is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11.

If you have any questions relative to this action, please contact me at (609) 940-5805 or James Pellegrini of my staff at [James.Pellegrini@dep.nj.gov](mailto:James.Pellegrini@dep.nj.gov).

Sincerely,

Jill Aspinwall, Section Chief

Bureau of Solid Waste Planning and Licensing
