Dear Mr. McCall:

The Bureau of Planning & Licensing (“Bureau”) is in receipt of an administrative action to the Somerset County District Solid Waste Management Plan (“County Plan”), dated June 29, 2021. This request for administrative action to the County Plan proposes County Plan inclusion of designated truck routes for solid waste vehicles entering and exiting the Old Quarry Road Associates, LLC Transfer Station/Materials Recovery Facility (“TS/MRF”), located on Block 100, Lot 2.38 along Old Quarry Road in the Borough of Bernardsville. This request specifies that all vehicles accessing the TS/MRF will utilize Old Quarry Road and State Route 202 for entering and exiting the facility.

Pursuant to N.J.A.C. 7:26-6.11(b)2, the inclusion of designated traffic routes for solid waste vehicles accessing a solid waste facility can be accomplished via an administrative action. Therefore, the County Plan inclusion of designated traffic routes for solid waste vehicles accessing the Old Quarry Road Associates, LLC TS/MRF in the Borough of Bernardsville, is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

If you have any questions relative to this matter, please contact Dawn Slawsky of my staff by e-mail at dawn.slawsky@dep.nj.gov.

Sincerely,

Dana Lawson, Environmental Specialist 4
Bureau of Planning and Licensing
