

## **Upcoming Air Compliance & Enforcement Workshop: “CEMS/COMS Electronic EEMPR Submittal”**

### **Who is affected by this initiative?**

Facilities subject to submittal requirements for Continuous Emission Monitoring Systems (CEMS) and/or Continuous Opacity Monitoring Systems (COMS) Excess Emission and Monitoring Systems Performance Report (EEMPR) will greatly benefit from this workshop.

### **Why would I need help?**

As part of the e-government services strategy, the NJDEP Online web portal provides the regulated community a means to submit EEMPR electronically. The Air Quality Permitting Program will require affected facilities to submit EEMPR electronically in the near future. This requirement will affect facilities that have Continuous Emission Monitoring Systems (CEMS) and/or Continuous Opacity Monitoring Systems (COMS). The requirement will also be included in settlement agreements, new air permits, and permit renewals.

### **What compliance assistance is available?**

The Department is providing a free workshop on how to use the NJDEP Online web portal for submitting your EEMPR electronically. This workshop will provide a step by step presentation of the electronic EEMPR (eEEMPR) submittal process. The workshop will be held on **Wednesday, June 07, 2006** from 10 a.m. to 12 noon at the

HAMILTON TECHNOLOGY CENTER

1200 Negron Drive

Hamilton, NJ 08691

(directions can be obtained by clicking on the web link below)

***Limited seating, please reserve your seat by completing a registration at***
