

## **Upcoming FREE Air Compliance & Enforcement (ACE) Training/Outreach Seminar**

### **Who would benefit from attending this training/outreach event?**

Anyone who is interested in learning about, or who is subject to the Air Pollution regulations is encouraged to attend.

### **Seminar Description:**

This free event will provide attendees with information on a variety of topics. The morning presentations will start with an update on General Permits, with a focus on answering your specific questions regarding Emergency Generators. Our Emission Measurement Section (EMS) will be discussing common issues found with continuous emission monitors (CEMs) and stack testing. The morning session will conclude with presentations on idling enforcement, an overview on Supplemental Environmental Projects, and an update on common problems found in compliance reports. If you have a multi-media question, be sure to attend the afternoon session where we will once again have a panel with enforcement representatives from Air Enforcement and Permitting, Hazardous Waste, Underground Storage Tanks, and Water.
