

Environmental Compliance Techniques

A Special Complimentary Seminar for Passaic County Businesses

November 14, 2003

8:00 AM – 11:00 AM

PCCC Paterson Community Technology Center

218 Memorial Drive

Paterson, New Jersey 07505

The NJ Department of Environmental Protection (NJ DEP) will conduct an investigation of regulated businesses in Paterson in December 2003. Learn how your company can ensure that you comply with environmental regulations prior to the NJDEP inspection. Your company may be subject to Notices of Violation and Financial Penalties if you do not comply with NJ DEP regulations and permitting requirements. This complimentary seminar will assist your company in ensuring that your environmental house is in order.

Learn about environmental compliance techniques addressing:

**Air Pollution ❧ Discharge Prevention ❧ Hazardous Waste ❧ Pesticides
Solid Waste ❧ Toxic Catastrophe Prevention ❧ Underground Storage Tanks
Water Pollution**

Program

8:00 AM Registration and Continental Breakfast
