

PEQUEST NATURAL RESOURCE EDUCATION CENTER

FLY FISHING CLINIC FOR FAMILIES & BEGINNERS

SATURDAY, OCTOBER 25, 2014
PART I 10:00 A.M. TO 12:00 P.M.
PART II 1:00 TO 2:30 P.M.

Fall in love with fishing by joining us for this all-day hands-on workshop. Greg Becker of White Water Flies and volunteers will guide you step-by-step through the intricate art of fly tying a wooly bugger and the mellifluous casting technique of fly fishing for trout. Learn a new skill you can practice for life!

Part I will cover basic fly tying to make attractive fly fishing lures. Each participant will make at least two lures. After lunch, Part II will introduce the basics of fly casting techniques, and participants will get to try their skills on the Pequest Education Pond.

Participants 16 and older must have a valid fishing license with trout stamp.

**For more information and to register
call Greg at (201) 230-5455.**

SPACE IS LIMITED so register now. Dress for the weather.
Heavy rain will cancel.

There is a \$15 fee per adult and \$5 per child payable to White Water Flies.

Pequest NREC is at 605 Pequest Road in Oxford, NJ. This workshop is sponsored by NJDEP Division of Fish & Wildlife and White Water Flies.
