

COMMERCIAL CRABBING REPORTING FORMS

1. There is one reporting form to report landings of blue crabs. Indicate by checkmark which license type (Crab Pot, Atlantic Coast Crab Dredge, Delaware Bay Crab Dredge) is being reported. Harvesting activity for one license only should be recorded on each form. Please report harvest of crabs and conchs ON CURRENT FORM ONLY.

2. Submit crab reports to:

Via mail: NJ Division of Fish and Wildlife
Crab Report
PO Box 418
Port Republic, NJ 08241

Or via fax: 609-748-2032

Or via electronic reporting: eTRIPS (call 609-748-2020 for information)

FAILURE TO FILE MONTHLY HARVEST REPORTS* ON OR BEFORE THE 10TH OF THE MONTH OF RECORD WILL LEAD TO SUSPENSION OR PERMANENT REVOCATION OF YOUR COMMERCIAL CRAB LICENSE ACCORDING TO THE FOLLOWING SCHEDULE:

1. First Offense - No suspension
2. Second Offense - 120 open season days
3. Third Offense - permanent revocation

If you did not crab during a month, a report to that effect is still required. All licenses are good for entire calendar year.

CRAB POT/TROT LINE SEASON	
Delaware Bay –	April 6 to December 4
All other waters –	March 15 to November 30
All commercial crab pot licenses require reports from month of renewal through December regardless of area fished	
CRAB DREDGE SEASON	
Delaware Bay –	January 1 – April 15 November 15 – December 31
All other waters –	January 1 to March 31 December 1 to December 31

*****It is recommended, but not mandatory, that reports be submitted in a verifiable manner such as certified mailing, fax transmission, or electronic reporting.**

* 1st report due for month when license is purchased.

Please do not staple report. Stapled reports are received damaged due to processing equipment of the US Postal Service.
