

NJ NASP STATE TOURNAMENT 2014 RESULTS

We are pleased to announce the results of the 2014 NJ NASP State Tournament! Thanks to the archers, the coaches, and the friends and family that came out to support everyone! We had 179 archers from 10 schools compete in this year's state tournament. Four schools attended the live shoot at Oxford Central School while six schools held a virtual tournament at their own school.

The teams and individual archers listed below in red qualify to attend the national NASP tournament in Kentucky on May 9-10, 2014. The 1st place team in each division (elementary, middle, high school) qualifies for nationals, as well as those teams with qualifying team scores. In addition, the top ten male and top ten female archers in each division qualify for nationals as individuals *if their school team did not qualify or does not attend the national competition.*

Rules and registration information for the national tournament is attached. Early registration is recommended.

Congratulations to all who participated! Photos from the event can be viewed at:
