

You Are Invited to...

The New Jersey Clean Marina Program Roundtable

2 Dates—2 Locations

March 25, 2009 - Anchorage Poynte Marina, Somers Point

April 2, 2009 - Rutgers EcoComplex, Bordentown

Join us to complete the Checklist and take the first step to become a Clean Marina. We are offering a New Jersey Clean Marina Program Roundtable on two dates in two locations. The Roundtables will be hosted by the NJ Clean Marina Program partners, the NJDEP Coastal Management Office, the New Jersey Marine Sciences Consortium/New Jersey Sea Grant and I BOAT NJ.

We will work with you, in a group setting while providing individual attention, to fill out the self-assessment checklist. Your questions and concerns are likely shared by others. We can all save time and benefit by working together. If you score above an 80% we can schedule the final step in the Clean Marina certification process - the Verification Visit. We can also help you identify where you can implement additional BMPs if you still need to reach that 80% objective.

Seating is limited, so register now by filling out the registration form below. If you have any questions, contact Mike Danko at 732-872-1300 ext. 29 or mdanko@njmsc.org.

We look forward to seeing you there!
