March 4, 2009

9 a.m.

Task Force members present: Chairman Christopher Daggett, Frank Banisch, Anthony DiLodovico, Chris Foglio, Kim Gaddy, Ernest Hahn, Richard Johnson, Jane Kenny, Pete Kasabach, Julia LeMense, Ed Lloyd, Bob Medina, Mark Remsa, Joe Riggs, Gail Smith, Jeff Tittel

Others present: Commissioner Mark Mauriello, Scott Brubaker, Nancy Wittenberg, Sherry Driber, Thomas Micai, Elizabeth Semple, Helen Owens

Chairman Daggett welcomed the Task Force to this implementation plan meeting. Daggett introduced Land Use Management Assistant Commissioner Scott Brubaker. Brubaker explained that information was solicited from resources throughout the Department to address the recommendations and the implementation status was collected in a draft table format.

Daggett led the Task Force in a discussion of the recommendation's implementation status and action items. Sherry Driber provided an update on the technology recommendations. A subcommittee was formed to evaluate solutions to address recommendation 7.4. Brubaker, Micai and Wittenberg answered questions from the Task Force. The Department will finalize the table and submit it to the Task Force in a few weeks.

Elizabeth Semple presented a draft Priority Permit Application Checklist and draft Priority Permit Application Evaluation Guidance Manual crafted to address recommendation 39.1. The Priorities committee will review these documents and report back to the Task Force.

The Task Force adjourned at a few minutes before two.
