

DIRECTIONS TO ENVIRONMENTAL AND CHEMICAL LABORATORY SERVICES' SIERRA PARK FACILITY

The ECLS Sierra Park Facility is located approximately five (5) miles north of Trenton and three (3) miles east of the Delaware River. It is just off interstate 95 at interchange three (3) where Scotch Road (route 611) crosses over the interstate. Access to the laboratory is simple and convenient from route 95.

1. From route 95 north or route 95 south, take the Scotch Road exit 3A and follow the signs for Scotch Road South.
2. Immediately after exiting onto Scotch Road South keep to the right.
3. One to two city blocks from route 95 bear to the right where the road splits toward Mercer County Airport, Sam Weinroth Road and a stop sign at the top of the hill.
4. At the stop sign, turn left onto Sam Weinroth Road.
5. Follow Sam Weinroth Road a short distance across Scotch Road (traffic light) and continue down the hill.
6. Stay in the right hand lane as you go down the hill.
7. Drive directly toward the arrows and signs (at the bottom of the hill) that direct right-lane traffic to turn right.
8. At the bottom of the hill follow the arrows and signs to the right and proceed to the last parking area.
9. ECLS is situated in the large, one story, white building to your left as you enter the last parking area.
