

DRINKING WATER OPERATOR TRAINING REIMBURSEMENT FACT SHEET

NEW JERSEY DEPARTMENT OF ENVIRONMENTAL PROTECTION BUREAU OF SAFE DRINKING WATER

N.J.A.C. 7:10A, *Licensing of Water Supply and Wastewater Treatment System Operators*, requires the completion of NJDEP training courses to become certified for water treatment (T) and/or water distribution (W).

NJDEP will now reimburse individuals for training expenses, as follows:

- For expenses incurred on or after September 1, 2002 only
- For NJDEP-approved courses that qualify individuals to take a New Jersey T and/or W exam (for sessions starting on or after September 1, 2002 only)
- For drinking water-related textbooks required for completion of the above courses
- This USEPA-funded program limits eligible expenses to T or W certification training only. Individuals seeking a wastewater license only are not eligible for reimbursement under this program.

ELIGIBLE FOR REIMBURSEMENT:

Tuition:

- Introduction to Water & Wastewater Operations
- Advanced Water Operations

Textbooks:

- Water Treatment Plant Operation - Volume I
- Water Treatment Plant Operation - Volume II
- Water Distribution System Operation & Maintenance
- Utility Management

TO REQUEST REIMBURSEMENT, YOU NEED TO SUBMIT:

- A copy of the course completion certificate(s).
- All receipts of incurred expenses for which reimbursement is sought.
