

Sherpa Fabric

General Specs

Content: 100% Polyolefin

Backing: Acrylic

Sherpa Cleaning Instructions

Clean this fabric with the foam only of water based cleaning agent for water based soiling, or with a pure solvent in a well-ventilated room (Petroleum distillate-based products, Energine, Carbona, Renuzit or similar products may be used) for oil-based stains only. Cleaning by a professional furniture cleaning service is recommended. To prevent overall soil, frequent vacuuming or light brushing to remove dust and grime is suggested.
