<b>Classroom, Inc.</b>	<p>Each Classroom, Inc. simulation is a virtual workplace, in which students acquire cross-curricular competencies as they meet typical challenges of a day at work. For example, the Chelsea Bank simulation exposes students to the world of banking and topics such as check negotiability, fraud, bribery and credit. Students engage in activities such as counting and tallying cash, critically reading workplace documents, evaluating credit card applications, and explaining business decisions in writing.</p> <p><a href="http://www.classroominc.org/node/101">http://www.classroominc.org/node/101</a></p>	Fee-based	<p>Classroom, Inc.
