Title I Preschool Project 2009 Narrative Page

(Use a separate sheet for each project)

Please place a check mark in the box(es) below to identify, if applicable, the core reform area(s) that apply(ies) to this proposed *ARRA* project:

- Adopting rigorous college- and career-ready standards and high-quality assessments that are valid and reliable for all students, including English language learners and students with disabilities.
- Establishing data systems and using data to track progress and foster continuous improvements.
- Increasing teacher effectiveness and the equitable distribution of effective qualified teachers for all students, particularly students who are most in need.
- Providing intensive support and effective interventions for the lowest-performing schools.
- Improving results for all students, including early learning, extended learning time, use of technology, preparation for college, and school modernization.

Project Description:

Project Objectives (either student or teacher outcomes):

Measurement of Outcomes:

**New Jersey Department of Education
American Recovery and Reinvestment Act of 2009 (ARRA)**
