PROGRAM:

The Berlin Township School District includes the John F. Kennedy Elementary School (Pre-K to 3) and the Dwight D. Eisenhower Middle School (4 to 8) located on the same property. The district was named a Renaissance Learning Lighthouse District and won the Outstanding School District award for the amount of quality reading our students have achieved. This year we have opened the Berlin Township Academy of Excellence which opens at 7:00 A.M. and continues after school until 5:30 P.M. This academy will address the struggling learners as well as offering enrichment classes to others.
