PROGRAM:

The Central Regional School District is located in the Bayville section of Berkeley Township, drawing students from the nearby areas of Berkeley Township, Island Heights, Ocean Gate, Seaside Heights and Seaside Park. The district is bordered by the Atlantic Ocean, the Barnegat Bay and the Pine Barrens of Southern New Jersey—an area rich in culture, tradition, and environmental learning opportunities outside the traditional classroom. Students are followed from 7th grade on with an Odyssey Ware portfolio which will allow teachers to provide an individualized educational plan. Each 8th grader receives a laptop and access to books online. Juniors receive a Princeton Review SAT course, and seniors can take up to 24 college credits from Ocean County College, Stockton College or Georgian Court University.
