PROGRAM:

The Long Beach Island Consolidated School District consists of two elementary buildings—Ethel Jacobsen School houses grades K-3, and the Long Beach Island Grade School houses Pre-K 3, Pre-K 4, and grades 4 – 6. Graduates attend the Southern Regional School District in Manahawkin for high school. The schools are located in an island resort community, and the island’s unique location, geography, environment and wildlife provide an excellent backdrop for education and are studied and embraced by the students and community.
