PROGRAM:

The Maurice River Township School District consists of one elementary school and is a sending district to the Millville School District for high school. It is located in a rural somewhat geographically isolated patch of Cumberland County surrounded by state-owned or protected, environmentally sensitive land. We have been designated as a "New Jersey School to Watch" by the NJDOE, and are proud to have met our AYP benchmarks for the past four years. Students may elect to apply upon graduation to the agricultural program at nearby Cumberland Regional School District.
