PROGRAM:

The Morris Hills Regional School District includes two large high schools: Morris Hills High School and Morris Knolls High School. Both are comprehensive high schools with up-to-date technology and a wide variety of academic, athletic and cultural offerings. Morris Hills offers students the ability to participate in the International Baccalaureate Diploma Program housed in the Morris Knolls High School as well as the Magnet Program for Mathematics and Science housed in Morris Hill High School. The districts also offer electives such as auto shop, CAD, wood, metal and electric shops.
