PROGRAM:

The Winfield School District is a small single school district located in central New Jersey, 23 miles from New York City. The Township of Winfield is less than a mile square and is home to a stable community of 697 families. Winfield prides itself on the individual attention it gives to every student and the afterschool enrichment program for kindergarten through 8th grade that it provides. Some of these offerings are Digital Photography, Mosaic Madness, Anatomy, Kids in the Kitchen, Puppetry and more. All students take part in two annual music productions. The Winfield School has been showcased on NJEA Classroom Close-up New Jersey four times.
