Dear Ms. Lacava:

Enclosed please find a revised "Report on Nonoperating School District," dated July 7, 2009. Please note the following changes from the original report. On page 3, in section B2, the census data for Montgomery was corrected. On page 10, in section V, Recommendations, there was a correction of a typographical error in the first paragraph regarding the levy allocation. The revised report corrects the allocation percentage to 38.5% equalized valuations and 61.5% enrollment as indicated earlier in the report on page 8.

These minor changes do not affect the conclusions that I reached in my June 30, 2009 letter approving the Executive County Superintendent's recommendation to merge the Rocky Hill School District with the Montgomery School District pursuant to the requirements of A-4141.

Thank you for your attention to this matter.

Sincerely,

Dear Commissioner Davy:

Upon receipt of your letter to the Board President of the Rocky Hill Board of Education on June 30, 2009 and review of the attached report that I prepared for submission to you, I noticed that the report had two errors in it that needed to be corrected.

I recommend that you accept these two changes to my report on Rocky Hill.

Correction number two: **page 10 from:**

Pursuant to N.J.A.C. 6A:23A-2.4, the ECS recommends elimination of the Rocky Hill School District as of July 1, 2009. The Montgomery Township School

District has the option to maintain the school business administrator of Rocky Hill through August 31, 2009 to assist in the transition. The 96 students of Rocky Hill will continue to be educated in the Montgomery Township School district and beginning with 09-10 will be counted as resident students in Montgomery Township School District but for the purposes of calculating State school aid, both Rocky Hill and Montgomery will continue to be considered separate school districts. Beginning in 2009-10 and thereafter, the general fund tax levy of the Montgomery Township School District will be 30.3% equalized valuations and 69.7% enrollment for Rocky Hill and Montgomery.

I. FOREWORD

Public Law 2007, Chapter 63, (known as “CORE legislation”) was enacted to encourage financial accountability of local units of government, including school districts. The CORE legislation serves to empower citizens, reduce waste and duplication of services, in districts, and direct shared services and consolidation consistent with amendments to existing law.

The CORE legislation established the position of Executive County Superintendent (ECS). In accordance with plans submitted to the Commissioner of Education, the ECS is required to eliminate districts located in their counties that are not operating schools (“non-operating school districts”). The accountability regulations, N.J.A.C. 6A:23A, promulgated consistent with the above law and recently proposed under the Administrative Procedures Act with substantive amendments reiterates the requirement for the ECS to submit such plans to the Commissioner to eliminate “non operating school districts.” N.J.A.C. 6A:23A-2.4. In addition, the Legislature has passed and the Governor intends to sign A-4141 which clarifies the procedures under which the non-operating school districts will be eliminated and merged into existing school districts.

Rocky Hill, a Pre-K to grade 12 district, sends its students to Montgomery Township School District in a sending-receiving relationship that has spanned many years. Accordingly, both of these districts are academically assimilated, leaving fiscal and governance as two of the major remaining issues to complete full assimilation. This report presents a plan to join Rocky Hill and the Montgomery Township District into a single school district to serve the students from both communities.

III. SCHOOL DISTRICTS

A. BOARD OF EDUCATION

Rocky Hill is a Type II district with an elected board consisting of five (5) members elected for staggered three-year terms.

Montgomery Township is a Type II district with an elected board consisting of nine (9) members elected for staggered three-year terms.

Combined Board of Education

In accordance with A-4141, the new combined district would continue with an elected board consisting of nine (9) members elected for staggered three year terms. For 2009-10 and beyond, the members of the Montgomery Township Board of Education will continue in office as members of the combined district until the expiration of the respective terms for which they were elected. In any year in which the term of a member of the board of education of the new district expires, his successor shall be elected at-large by the voters of the new district. Within 30 days of the merger of the districts, the ECS will appoint a voting member from Rocky Hill to be added to the existing Montgomery Township Board of Education, thereby increasing the membership of the board temporarily to ten (10) members. Such member appointed by the ECS shall serve on the board until the first Monday succeeding the first annual school election in which a member of the Montgomery board of education is elected at-large.

The increase in assessed valuations in 2005 for Montgomery reflected above is likely due to the increase in building as reflected by the history of building permits issued as indicated in the following chart and on page 3.

(Source: School Districts' Budget Statements for 2009-2010)

1a. General Fund Tax Levy Allocation

Under A-4141, the general fund tax levy apportionment in the first year of the merger is directed in a manner determined by the Commissioner to be the least fiscally disruptive. The allocation of levy can be apportioned by equalized valuations, pupil enrollment, or some combination of apportionment based upon equalized valuations or pupil enrollments. The impact of each method is illustrated below using the districts' 2009-10 actual General Fund tax levies.

2009-10 Actual General Fund Levy

	Actual <u>2009-10</u> Levy	Levy at 100% Equalized Valuations	Levy at 50% EqVal, 50% Enrollment	Levy at 100% Enrollment
Rocky Hill	1,310,920	1,635,886	1,371,602	1,107,318
Montgomery	60,629,655	60,304,689	60,568,973	60,833,257

The combination of 38.5% equalized valuations and 61.5% enrollment will result in the same levy allocation in 2009-10. Therefore, for the first year (2009-10) I recommend that Rocky Hill raise the same amount included in the 09-10 budget of \$1,310,920 and Montgomery raise \$60,629,655.

A-4141 further provides that thereafter, the apportionment methodology shall be selected from those established in NJSA 18A:13-23, i.e. equalized valuations, pupil enrollments, or some combination thereof, and that if necessary the Commissioner may direct a five-year phase in of that method.

I recommend beginning in 2010-11 that the apportionment methodology continue to be 38.5% equalized valuation and 61.5% enrollment, a combination of the two methods, as permitted in NJSA 18A:13-23. A five year phase in is not necessary and therefore, not recommended.

OTHER LOCAL SOURCES		\$9,176	\$492

(Source: School Districts’ Budget Statements for 2009-2010)

2a. Debt Service Levy Allocations

A-4141 further provides that the amount to be raised for interest upon and the redemption of bonds payable by the district for bonds issued prior to and after the effective date of this act shall be apportioned among the constituent districts of the merged district in such manner as the Commissioner determines to be the least fiscally disruptive. I recommend that all existing debt of the Montgomery Township School District remain the responsibility of the Montgomery Township School District and all new debt approved by the merged district will be the responsibility of the constituent districts and allocated in accordance with the general fund tax levy allocation.

E. STATE AID 2009-2010

Rocky Hill	\$ 94,353.
Montgomery	\$5,320,850.

(Source New Jersey Department of Education 2009-2010 State School Aid, State Aid Profile)

Under A-4141, state aid will still be calculated as separate districts, based on Rocky Hill and Montgomery’s pupil and wealth characteristics. The resulting aid amounts will then be combined and provided in total to the new single district for development of its combined budget.

IV. POTENTIAL COST SAVINGS

The following summarizes the cost savings that may result from the legislative requirement to eliminate the Rocky Hill district.

A. General Fund Total (2009-2010):	\$1,439,965.
B. Estimated Potential Cost Savings:	\$ 37,550.

The following summarizes the possible cost savings that may result:

1. General Administrative Services, including the elimination of costs for:
 - a. Legal
 - b. Board conferences
 - c. NJSBA membership
 - d. Telephone
 - e. Treasurer of School Monies
 - f. Audit
2. Unallocated Benefits, including the elimination of costs for:
 - a. Workers' Compensation Insurance
 - b. Social Security contribution
3. Administrative Central Services: including the elimination of costs for:
 - a. Salary for part time business administrator/board secretary

V. RECOMMENDATIONS TO THE COMMISSIONER

Pursuant to N.J.A.C. 6A:23A-2.4, the ECS recommends elimination of the Rocky Hill School District as of July 1, 2009. The Montgomery Township School District has the option to maintain the school business administrator of Rocky Hill through August 31, 2009 to assist in the transition. The 96 students of Rocky Hill will continue to be educated in the Montgomery Township School district and beginning with 09-10 will be counted as resident students in Montgomery Township School District but for the purposes of calculating State school aid, both Rocky Hill and Montgomery will continue to be considered separate school districts. Beginning in 2009-10 and thereafter, the general fund tax levy of the Montgomery Township School District will be 38.5% equalized valuations and 61.5% enrollment for Rocky Hill and Montgomery².

In accordance with A-4141, the new combined district would continue with an elected board consisting of nine (9) members elected for staggered three year terms. Within 30 days of the merger of the districts, the ECS will appoint a voting member for the 2009-10 school year from Rocky Hill to be added to the existing Montgomery Township Board of Education. In 2009-10 and thereafter, the members of the Montgomery Township Board of Education will continue in office as members of the combined district until the expiration of the respective terms for which they were elected. All seats of the nine member board will be elected by at-large vote thereafter.

²Percentages for equalized valuations and enrollment were corrected to agree with data provided in section D 1a of the report on page 8.

In accordance with A-4141, the Montgomery Township School District will have the responsibility to liquidate all remaining assets and close the fiscal books (and conduct the final audit) of the Rocky Hill school district. The costs of the final audit shall be payable from Rocky Hill's accounts prior to the liquidation of the assets. All remaining cash and fund balances on completion of this liquidation process shall be paid to Rocky Hill's municipal government and any indebtedness shall be the responsibility of that municipal government. All books, documents and records of Rocky Hill shall be turned over to the board of education of the merged district.
