Burlington County Council for Young Children

Burlington: Kaya Sewell, Project Coordinator, cell: 609-500-0890, email: kasewell@bccap.org

- ❖ Burlington CCYC kickoff meeting will be held on October 13, 2015, 10am -12pm at the Burlington County Human Service Building. The meeting is the start of CCYC in Burlington County where the parents, families, and partners will begin discussing the needs of children and families in Burlington County. Flyers have been distributed at all of the Headstart Centers in Burlington County. There has been a huge response from organizations in the county that want to be apart of the council. Our current focus is parent recruitment. Our areas of concentration have been Lumberton, Burlington, Maple Shade, Eastampton, Delanco, Willingboro, Browns Mills, and Pemberton because we have parent connections in those areas through our Headstart program.
- ❖ CCYC was presented to parents during parent orientation for Headstart on 9/2, 21 parents provided contact information and expressed interest in taking part in the CCYC.
- ❖ Project Coordinator is collaborating with central intake to provide child care for parents at our kickoff meeting.
- ❖ Attended Youth Policy Council meeting on 9/15, discussed the CCYC initiative.
- ❖ CCYC has been attending community day events in order to distribute information about the CCYC. (Eastampton Day and Lumberton Day September 19th)
- ❖ CCYC is currently working closely with Headstart Family Partners in order to get parents involved.
