**County Councils for Young Children (CCYCs) are established local councils that create an environment where parents/families come together at the local level with providers and other community stakeholders as active partners to identify, and discuss the needs, concerns, aspirations and successes regarding issues that affect the health, education and well-being of children. The CCYCs will form strong partnerships and work together to develop mutually-established goals and implement creative strategies that reflect the views/priorities of families.

NEW JERSEY
strengthening families
PROVIDING PRACTICAL TOOLS

Funded by the New Jersey Department of Children & Family Services, County Council for Young Children is operated by the Children and Family Health Institute at Visiting Nurse Association Health Group. Since 1912, VNA Health Group has provided home- and community-based safety-net health care for children and families, through an array of grant-funded programs such as the Nurse-Family Partnership, Early Intervention, School-Based Nursing, Special Child Health, and Women, Infants and Children (WIC) supplemental nutrition program.
