<u>SECTION III – REPORTING</u> CHAPTER 7 – SYNOPSIS AND CORRECTIVE ACTION PLAN

Synopsis and Hearing of Audit

N.J.S.A. 18A:23-3 states in part that "The Commissioner annually shall publish a summary of such recommendations as made for each school district and the steps which have been taken in each district for their implementation."

N.J.S.A. 18A:23-4 states "The secretary of the board shall prepare or have prepared a synopsis or summary of the annual audit and recommendations, prior to the holding of the meeting of the board of education to take action thereon; A copy of which synopsis or summary shall be available for distribution to interested parties at the meeting."

In order to comply with the above requirements, it is requested that the Secretary of the Board prepare the audit synopsis under the following format:

- a. Governmental Funds Balance Sheet (Exhibit B-1).
- b. Governmental Funds Statement of Revenues, Expenditures, and Changes in Fund Balance (Exhibit B-2).
- c. Reflect each audit recommendation under the applicable heading listed below. Include the sub headings listed on page III-4.5:
 - 1. Administrative Practices & Procedures
 - 2. Financial Planning, Accounting & Reporting
 - 3. School Purchasing Programs
 - 4. School Food Service
 - 5. Student Body Activities
 - 6. Application for State School Aid
 - 7. Pupil Transportation
 - 8. Facilities and capital assets
 - 9. Miscellaneous
 - 10. Follow-up on prior year findings
- d. A copy of the minutes of the board meeting at which the audit recommendations were read and discussed must be filed with the executive county superintendent of schools together with the synopsis within 30 days following the meeting at which the audit was discussed. Specific board action and disposition of each audit recommendation must be duly noted in the minutes of the board. A general statement of the Board's acceptance of the audit and recommendations is NOT in compliance. In addition, the minutes must address the corrective actions voted by the board and a completed Corrective Action Plan signed by both the chief school administrator and the board secretary/school business administrator must be included with the synopsis.

The copy of the minutes, synopsis and corrective action plan for the fiscal year under audit (see "d." above) are <u>submitted</u> to the executive county superintendent and will be filed with the State Department of Education by the executive county superintendent after they have been reviewed for accuracy and <u>completeness</u>. A district/charter school that does not have current year CAFR or AMR findings is not required to file a "NONE" corrective action plan with the executive county superintendent. **Please see the following page for a sample Audit Year Corrective Action Plan (CAP).**

The school business administrator must submit a certification when all corrective actions for the fiscal year under audit have been fully implemented (see sample format on page III-7.3, or alternatively, a statement on district/charter school letterhead may be accepted), but no later than June 30th of the subsequent fiscal year. The certification of implementation letter is to be submitted no later than June 30th
