This application is for a request for a higher tentative **per diem** tuition rate. A private school for students with disabilities may increase the number of enrolled days from 2012-2013 to 2013-2014 and therefore increase the total school year tuition rate without completing this application.

8. In Column A, line 207, insert the school's estimated ADE for the 2012-2013 school year.
