

The Holocaust Museum of The New Synagogue of Fort Lee

1585 Center Avenue
Fort Lee, NJ 07024

Students from 3rd grade through high school will learn much by visiting the museum, which has been praised by the Senate and General Assembly in resolutions and by the Office of the Mayor by proclamation.

To study the Holocaust, people must know the history and the tragedy prior to, during and after the events of 1933-45.

The museum serves as an educational venue for all segments of the community.

The museum is open for classrooms tours between 10:00 a.m. and 2:00 p.m., and evenings and Sundays by appointment.
