**Enhancing Nursing
Knowledge Conference**

Friday, May 16, 2008

Raritan Valley Community College
Route 28 & Lamington Road
North Branch, New Jersey 08876
908 218-8872
Email: sbaetjer@rارانval.edu
Website: www.rارانval.edu/cce

Did You Know? The NJ State Board of Nursing's new Continuing Education Regulations for Nurses (RN's & LPN's) were adopted and became effective May 1, 2006 requiring 30 contact hours of continuing education every two years in order to qualify for re-licensure.

The "Enhancing Nursing Knowledge Conference" provides seven (7) hours of practical and insightful information to help meet the requirement.

Friday May 16, 2008

8:00 am – 4:30 pm

Keynote Speaker:

ROSALIA HAMILTON

Rosalia Hamilton, MSN, MA, RN, Professor Emeritus RVCC and the Project Director for the School-house Project Grant at RVCC funded by the University of Pittsburgh Medical School.

She will discuss an All Hazards Approach to Emergency Preparedness through the use of an on-line presentation with interactive exercises and tools.

In addition, many breakout sessions will offer a variety of topics for health care professionals, counselors, health educators, health care administrators, advocacy groups, students, and mental health professionals.

Conference Schedule

- 8:00- 8:30 am Registration/Breakfast
