

2009-10 Estimated Per Pupil Amount for New Jersey Title I Supplemental Educational Services

Guidance from the United States Department of Education (USDOE) requires that the New Jersey Department of Education (NJDOE) calculate the maximum allowable expenditure(s) per pupil for SES. The basis for this calculation for districts receiving ARRA allocations is the sum of the Title I, Part A and ARRA allocations divided by the poverty/at-risk count (s) for the district. The NJDOE is permitted, however, to request a waiver to this requirement which it has done. Should the USDOE grant this waiver, districts will be able to request a waiver from the NJDOE to reduce the maximum per pupil amount for SES from the maximum calculated amount for both Part A and ARRA to an amount not less than the maximum amount calculated for Part A only (both amounts are presented on the spreadsheet). More information on the waiver can be found at <http://www.state.nj.us/education/arra/waiver/waiver6.htm>.

The SES Per Pupil Amount (PPA) is calculated by dividing the district's Title I, Part A allocation by the number of children residing within the district, aged 5-17, who are from families below the poverty level. For districts with over 20,000 residents the poverty level is determined by census data from the United States Census Bureau (column 1). For districts with under 20,000 residents the poverty level is determined by the number of students ages 5-17 eligible for free lunch as reported in the district's October 15, 2008 ASSA report (column 2). As set forth in federal law, the district must reserve at least 20% of its Title I allocation for SES/Choice. Therefore, the district divides the 20% reserve amount by the PPE to determine how many students may be served.

In this spreadsheet the following information is presented:

- The FY 2010 section refers to the district's 2009-2010 Title I, Part A grant. Column 3 is the district's allocation and column 4 is the minimum SES per-pupil amount for the 2009-2010 school year;
- The ARRA section refers to the district's one-time ARRA Title I, Part A grant. Column 5 is the district's one-time ARRA allocation and column 6 is the SES per-pupil amount based on the ARRA allocation only. If the NJDOE receives the waiver, districts may have the option of combining a portion of the ARRA PPA with the FY 2010 PPA to determine the SES per-pupil amount for the 2009-2010 school year.
- The FY 2010 & ARRA section refers to the combined totals of the district's 2009-2010 Title I, Part A grant and the district's one-time ARRA Title I, Part A grant. Column 7 is the district's combined allocation and column 8 is the combined SES per pupil amount for the 2009-2010 school year. This would be the maximum SES per-pupil amount if the NJDOE does not receive the waiver to exclude Title I, Part A ARRA funds in determining the SES per-pupil amount.

This document will be updated, and districts will receive notice, upon verification of waiver status.

*NOTE: SES Providers may not refuse to work in a district based upon the PPA amount; doing so is cause for immediate withdrawal of state approval
