The balance of four Republicans and three Democrats will maintain the intentions of the authors of the state constitution and follow through on the traditions that have allowed the judiciary to operate with integrity as a separate branch of government."
- "With a fully-appointed and approved membership, the Supreme Court will continue to carry out its responsibilities in judging and deciding the legal cases that are so

important to the state and can have a profound impact on the lives of the people of New Jersey.”

Kathleen M. Boozang, Dean Of Seton Hall University School Of Law: “Seton Hall Law School is deeply honored that Governor Christie has nominated Walter Timpone for the New Jersey State Supreme Court. A 1979 graduate, Wally both embodies and epitomizes the excellence that defines a Seton Hall Lawyer.”

Peter C. Harvey, Former New Jersey Attorney General and Partner At Patterson Belknap: “Wally and I worked together in the United States Attorney’s Office in Newark. He is a very careful thinker who is guided by fairness and equal justice. Wally would be a terrific addition to the very talented justices who now serve on our Supreme Court.”

Joel B. Rosen, Partner At Montgomery, McCracken, Walker & Rhoads LLP: “I have known Mr. Timpone for many years both personally and professionally. In addition to serving with him as an assistant U.S. attorney, Mr. Timpone often appeared before me when I served on the bench. I am pleased that a person with his broad spectrum of experience as a trial lawyer will hopefully serve on the state’s highest court. If confirmed, he will bring to the court his excellent legal skills as well as his fine demeanor. Anyone who knows Wally or has worked with him is aware of his high level of professionalism and competence. In this regard, I am also confident that he will treat all litigants fairly and justly.”

Paul Zoubek, Partner At Montgomery, McCracken, Walker & Rhoads LLP: "Wally is an excellent choice for Justice of the New Jersey Supreme Court. He will be an excellent Justice."

Criminal Defense Department: "I have known Wally for almost 30 years, as both an adversary when he was at the U.S. Attorney's office and I was an Assistant Federal Public Defender and as a colleague in the private defense bar. Wally is a talented lawyer of great integrity and tremendous experience and a genuinely good person who will make a fine addition to the nation's greatest State Supreme Court. I am pleased both for him and for all New Jerseyans who will benefit from his wisdom and compassion."

Kevin H, Marino, Esq., Principal At Marino, Tortorella & Boyle, P.C.: "Wally Timpone is an excellent choice for a seat on the New Jersey Supreme Court. A smart, hard-working, dedicated lawyer, Wally is also a person of the highest integrity. During his years in the U.S. Attorney's Office, where he prosecuted public corruption cases as the Chief of its elite Special Prosecutions Unit, he was widely respected as a diligent and dogged but eminently fair prosecutor. He has built a similarly outstanding reputation in private practice, where he has handled a wide variety of sensitive, challenging matters with exquisite judgment and tremendous skill. Wally's inquisitive mind and innate sense of fairness, which helped make him a wonderful lawyer, will serve him equally well on our state Supreme Court. His selection as an Associate Justice of that celebrated court is a fitting capstone to a career marked by professional excellence and personal decency. Today is a very good day, not only for our esteemed bench and bar, but for all the people of New Jersey."
